Dear Special Reach Family,

At Special Reach, the safety of our participants, employees and volunteers is our top priority. We have been closely monitoring updates regarding the COVID-19 situation and taking steps as advised by the CDC, WHO and local health officials.

In response to San Antonio's Local State of Disaster and Public Health Emergency, [all Party Nights Scheduled in March and April, 2020 have been cancelled](#) (this is subject to change based on evolving recommendations from health officials). We will continue to monitor the situation and provide updates on other upcoming programs and events as more recommendations from health officials become available.

For more information regarding COVID-19 and how you can keep your family healthy, please visit the COVID-19 section on the Special Reach website at www.specialreach.org/covid19info . We appreciate your understanding and support during these unprecedented circumstances, and we look forward to welcoming you to Party Night and other Special Reach events again very soon!

Please visit www.specialreach.org and our social media outlets for the latest information. If you have any questions or concerns, please email special.reach@gmail.com.

Sincerely,

Cici Osonma
